- 1 Cut out the body along the thick black lines, including the slits.
- 2 Cut out the rectangle containing the arms, ears and tail.
- 3 Fold the rectangle in half along the broken line, and glue together.
- 4 Once dry, cut out the ears, arms and tail.
- 5 Glue the ears arms and tail to the body
- 6 Cut out the sign
- 7 Glue the sign to the hands, or to a cocktail stick as a placard.

Will Work  
For bamboo
